General Rules

1. All items must be completely done by the student entering the competition (a student may receive verbal instruction only).
2. No more than two items may be entered by a student.
3. Three judging sheets must be filled out and accompany each entry.
4. A 3x5 card containing the entrant's name, school, grade, and category must be pinned or taped to the back of the project face-up.
5. No item may be entered if it has previously been entered another year.
6. The pattern of any project must accompany the item. If it is an original design, the 3x5 card must state this, and the plans and pattern pieces that the student creates to make the project must accompany the item.
7. An "Artist's Idea Statement" must accompany each judging sheet.
8. All entries should be Christ honoring. They should not reflect worldliness.

Rules By Category

Category One: Woodworking

1. No commercially produced kits where the wood is already cut will be accepted. Each piece must be original in design.
2. Any item that would fall under the area of carpentry, building, or extensive tooling, must be originally made by the contestant.
3. Patterns followed or personal plans drawn must accompany the project.

Category Two and Three: Needlework (Thread or Yarn)

1. Any item considered a part of candle wicking, embroidery, crochet, cross-stitch, knitting, needlepoint, latch hook, or crewel will be accepted in this category.
2. A store bought kit may be used.
3. Yarn and thread projects will be judged separately.
4. Judges must have access to the back of the needlework. For this reason, pillows are not an acceptable display choice for thread projects.

Category Four and Five: Sewing (Clothing or Non-clothing)

1. The clothing category will include any apparel item. All apparel should be modest and appropriate for a Christian.
2. Non-clothing entries will include, but are not limited to, the following: quilts, purses, stuffed animals, furniture covers, and aprons.
3. The pattern must accompany the project. If it is an original design, the 3x5 card must state this, and the original plans and pattern must accompany the item.
4. Clothing will be judged separately from non-clothing projects.
