Rules by Category

Category One: Tract Design

Design a tract for your church that would creatively invite members of your community to visit your church. Tracts must be designed in such a way that the finished tract would fit in a standard shirt pocket. Each tract must contain the plan of Salvation (KJV).

Category Two: Composite Graphic

Using an application like *Adobe PhotoShop*, create a graphic that would creatively inspire believers in their Christian faith. Graphics should communicate concepts like, but not limited to, God's greatness, hope, faith, mercy, commitment, sacrifice, stewardship, etc.

1. All entries must be hard copies and accompanied by the original layered file on CD ROM.
2. Final graphic must be eight inches by ten inches and may be laid out either portrait or landscape.
