

Suggested Book List

Lancaster Baptist School does not endorse any content/concepts, in these or any other books which are contrary to the Bible (Philippians 4:8 is our primary guide in book selection). Our desire in preparing this list is to help Christian parents in selecting appropriate books for their students and to encourage students (and adults) to develop their love for reading as they also enhance their reading skills by selecting and reading helpful, wholesome, challenging, and enjoyable books this summer.
