

## ***SOULWINNING PROGRAM***

### ***Program Overview***

On September 17, we will reintroduce the teen soulwinning program. This program is designed to engage both teens and adults in reaching the lost and will involve training teenagers in door knocking, sharing the Gospel, following up on converts, and making Sunday school visits.

Each teen will be assigned to a soulwinning group. Each group will consist of approximately three guys, three girls, and two adult drivers. These groups will meet every Tuesday or every Saturday for their regular time of soulwinning. These soulwinning times will consist of door knocking, follow-up visits, and Sunday school visits.

Each soulwinning group will consist of one teen guy team captain and one teen lady secretary. These two teens will be responsible for collecting stats from their individual team members, as well as keeping an active prospect list for their team. The team captain and secretary will meet once a week with Brother Chappell for a time of training, accountability, and program feedback.

The drivers for this program will be pre-approved and must meet all necessary leadership requirements of Lancaster Baptist Church. The primary purpose of the adult driver is to mentor teens in the areas of soulwinning and follow-up, and to provide safety and oversight of the teens during soulwinning times.
