Welcome to Kid City, the children's ministry of Lancaster Baptist Church!

Kid City is an exciting place where children have fun and learn from the Bible while parents attend a worship service or a Connection Group. Our desire is to help your child build their faith in Christ in a fun-filled way.

In this packet you will find a wealth of information concerning Kid City. We provide many opportunities for children to grow in the Lord including summer camp, Vacation Bible School, and classes during regular church times.

We are eager to see what the Lord will do in the life of your child here at Lancaster Baptist Church. If you have any questions about our children's ministry or if we can help you in any way, please do not hesitate to ask. Thank you for being our guest and allowing us the privilege of serving you through Kid City.

“But Jesus called them unto him, and said, Suffer little children to come unto me, and forbid them not: for of such is the kingdom of God.” —Luke 18:16

BIBLE STORIES
THE GOSPEL
VICTORIOUS CHRISTIAN LIVING

The children's ministry at Lancaster Baptist is far more than simple childcare. Every class and kids rally has teachers who prepare meaningful Bible lessons and are skilled at communicating these to children on their level. Teachers use many creative tools—songs, crafts, games, and more—to keep children engaged and to make what they are learning fun and memorable.

Preschool-Kindergarten

Focus: Bible Stories

Very young children learn best with simple and often-repeated stories and hands-on activities. Classes for these ages focus on teaching children the main stories in the Bible such as Creation, Noah's Ark, David and Goliath, Daniel in the Lion's Den and more. Through these stories, children are introduced to who God is and His love for them.

1st-3rd Grades

Focus: The Gospel

Children in the young elementary grades are able to learn more of the biblical concepts that Bible stories demonstrate. Teachers for these grades begin to teach children the gospel, beginning with the concepts of sin and their need for a Savior. Children learn that God's great love for them motivated Christ to die for their sins, raise from the dead, and offer them forgiveness and eternal life.

4th-6th Grades

Focus: Victorious Christian Living

The upper elementary grades include all of the above but also emphasize practical applications for Christian living. Teachers help children learn how the Holy Spirit empowers us to a life of faith and obedience to God's Word. Children in these classes also begin to learn basic Bible doctrines that will be an important foundation for the rest of their Christian life.

To ensure the safety of your little one, all of our volunteers are interviewed, screened, and trained. You will utilize your 10 digit phone number at check-in with your child's photo ID so you will have the assurance of knowing that no unauthorized person can pick up your child.
